

IDAHO

RideShare

RIDESHAREONLINE.COM IS GOOD FOR BUSINESSES AND COMMUNITIES!

RideshareOnline.com is a FREE, web-based ride-matching system enabling Idahoans to save money, time and the environment one mile at a time. Be a leader! Become a Rideshare Transportation Coordinator (RTC) and begin coordinating ride matches for your employees or community.

Rideshare Benefits:

- » Rested, productive employees — employees that rideshare often arrive more rested and ready to work.
- » Higher employee retention.
- » Reduced need for parking spaces for employees.
- » Ridesharing reduces congestion, thus reducing commute time.
- » Driving less = reduced vehicle maintenance and wear tear.
- » Reduced fuel and vehicle maintenance costs.
- » Less wear and tear on local roads.
- » Viable transportation options for those living and working in rural communities.
- » Improves local air quality and reduces the carbon footprint.
- » Inexpensive alternative to building infrastructure and expanding highways.
