Section C - RESOURCE & COMMUNITY COORDINATION

1 - Do you share resources in any significant way with other agencies (e.g., maintenance/ mechanics, vehicles, staff/drivers, facilities, marketing, insurance, fuel purchases, training, bilingual programs, etc.)? If yes, provide a brief description. *

	YES
--	------------

Description (700 Characters Maximum)	YBP is maintaining a close relationship with Linx during its start up years, including sharing our resources and contacts to help ensure the co-op's ultimate success. These resources include: legal support through co-op development centers; shared office and equipment; access to YBP business members for support; chartering of Linx member buses for YBP events; introduction to key agency officials (e.g. park superintendents, forest supervisors); and grant writing to secure pilot and operational funding (grants from ITD, HUD, NSB, USDA-RD, New Belgium Brewing, Partners for Prosperity, and Brainerd Foundation).
---	--

2 - Have you realized any measurable or quantifiable savings in costs directly through, or as a result of, your coordination efforts? If yes, provide a brief description. *

	YES
--	------------

2012 GRANT Pre-Application

Description (700 Characters Maximum)	To date YBP has invested more than \$700,000 received from grants, contracts, and private investment to develop Linx and all of its programs. This would have required significant capital investment by each provider if financed by individual companies (estimated at \$30K+ rather than a \$2K stock purchase). As owners in Linx, each member has access to: newly developed transit technologies; an online reservation and ticket system; a central website directing customers to providers in the tri-state region; reduced rates on GTFS creation and maintenance; and strategic marketing opportunities. Future investments are planned to launch a rider-investor program, enhance trip planning capabilities, and develop smart card technologies.
---	---

3 - Describe your efforts to work with other organizations, agencies, businesses, and other appropriate community interests in order to provide service (e.g., employers, medical centers, social service agencies, visitor services, activity centers, etc.). * (Enter N/A if not applicable)

Description (500 Characters Maximum)	Linx provides the platform through which multiple organizations, agencies, businesses and individuals can mutually benefit. The blended co-op consists of riders who use the transportation services, providers that operate routes, and investors and social service agencies that seek improved regional mobility. Linx has gained national attention as it is coordinating its providers' transportation services within Yellowstone National Park under a 3-year pilot demonstration. See www.linx.coop for a list of current members.
